Band or tie position

If the piece has a band, tie or elastic, say where it sits.
Always measured **from the top, downwards**.

Shirt: band at cm from shoulder

Trouser: band at cm from waist

NOTES – POSTURE, PREFERENCES, ANYTHING THE NUMBERS DO NOT SAY

Measure the body, not a garment. Tape snug, not tight. Light clothing, standing normally.
Labels and order follow the tailor's own list, so nothing is translated between this sheet and his cutting.
